

Apsley Everything Bundle

Valued up to \$10,000*

Solar Panel

Every new home in Apsley comes with a 3kW solar power system and 3kW inverter. This helps create an environmentally friendly community and cuts your yearly household costs.

Front Landscaping

An attractive front garden makes the whole community look great. That's why we're offering a selection of water wise, easy care landscaping packages that include 12 months maintenance.

- Cottage style
- Native style
- Minimalist style
- Resort style

Boundary Fencing

When your new home is almost complete, we'll help finish it off properly with Colorbond side and rear fencing to add a stylish finishing touch.
